### SUMMARY OF ISI INSPECTION SEPTEMBER 2017

#### AN 'AMAZING' PLACE FOR THEIR EDUCATION

##### Educational Quality

There are two sections, '**The Quality of the Pupils' Academic and Other Achievements**' and '**The Quality of the Pupils Personal Development**' and each section has eight sub-sections.

It is unusual for a school to be graded excellent in both categories and also to be graded excellent in every subsection (**which we were**).

##### Key Findings of the Educational Quality Inspection Report:-

The quality of the **pupils' academic and other achievements** is **excellent**.

- Pupils of **all abilities** make **excellent progress** during their time at school.
- Pupils are **highly independent** and **confident communicators**, who keenly **articulate** their views and opinions to enhance their learning.
- Pupils have **extremely well-developed study skills** and relish opportunities for analytical and hypothetical thinking in their learning.
- Pupils have **outstanding attitudes** to learning and enjoy the breadth of the curriculum.

##### The quality of the pupils' personal development is excellent:

- Pupils develop **high levels of confidence** and **warmly embrace new challenge**.
- **Pupils speak passionately** about **all that the school provides** and the **strong support** that **staff provide**.
- Pupils have **excellent moral awareness** and a **mature understanding** towards the importance of **positive behaviour**.
- **Pupils' empathy** towards the needs of their peers is **exemplary**.

##### Focused Compliance

Eight standards are reviewed and the highest accolade one can hope for is that the school will be found to be compliant in all eight areas. Amesbury was found to be fully compliant.
