(Head of Middle Prep and DDSL)

**Martin Gibb**  
(Head of Upper Prep and DDSL)

At Amesbury, safeguarding is embedded in our culture, ensuring everyone feels secure. We foster openness for reporting concerns and rigorously train staff. Collaborative efforts with external agencies solidify our commitment to safety.

Any general concerns should, in the first instance, be communicated to the DSL or DDSLs. If you have a safeguarding concern about a member of staff should contact the Head, any safeguarding concerns about the Head should be referred to the Chair of Governors, Ms Karen Davies.
